

At-A-Glance Eligibility Checklist for Contractors & Project Developers

GoGreen Business Energy Financing Program

If your project meets these criteria, help your customer apply with a GoGreen Business finance company! The finance company will check and approve the customer's credit, review the project, and give the go-ahead to proceed with installation.

CUSTOMER CHECKLIST

- ☐ A for-profit or non-profit business that meets one of the following:
 - ☐ 100 or fewer employees.
 - ☐ Annual revenues less than \$16 million.
 - ☐ SBA size standard requirement for the customer industry.

PROPERTY CHECKLIST

- ☐ Must be used for business activities.
- ☐ An IOU (PG&E, SoCalGas, SCE or SDG&E) bills the property for gas and/or electric service.
 - ☐ Customers may receive service from a Community Choice Aggregator (CCA) or Energy Service Provider (ESP) as long as there is a bill from an IOU.

ELIGIBLE ENERGY MEASURES (EEMs) CHECKLIST

- ☐ Each measure qualifies either through the [Pre-qualified EEM list](#) or through the Professional Certification method.
- ☐ Must save energy corresponding to the fuel provided by an investor-owned utility (IOU).
- ☐ Must be installed by a Participating Contractor, unless self-install eligible per the Pre-qualified EEM list.

Projects up to \$5 million may be financed. Credit enhanced financing is available on projects up to \$1 million with at least 70% EEMs and no more than 30% non-EEMs. Additional non-EEMs may also be included; contact a finance company for terms.

PROJECT CHECKLIST

- ☐ Energy efficiency and clean energy generation/storage retrofit projects consisting of at least one EEM.
 - ☐ Project can contain non-energy measures, though the finance company will determine amount allowed.
- ☐ Total cost for non-lighting EEMs installed utilizing the Pre-qualified EEM List does not exceed \$350,000.
- ☐ Contractor is enrolled in the Program prior to completing their scope of work.
